

43rd Annual ESRF

February 22-25, 2017 Miami, FL

The Eastern-Atlantic Student Research Forum (ESRF) is a three-day international scientific meeting hosted by the University of Miami Miller School of Medicine. Medical, graduate and MD/PhD students, and residents/interns from medical institutions are eligible to participate in the presentation of original basic science and clinical research. Our aim is to promote collegiality and encourage the pursuit of biomedical research among these future physicians and scientists.
