

Complion is the University of Miami Miller School of Medicine's electronic regulatory binder platform. The purpose of this form is to assist you in making a request for a new Complion user account.

To access the Complion eRegulatory system, you first need to have an active University of Miami CaneID and password. If you do not have a CaneID, please register for one by clicking [here](#). You will receive a C#, which is required for the completion of this form. If you already have a Cane ID and need assistance, please contact our Service Desk via email at [help@miami.edu](mailto:help@miami.edu) or call 305-243-5999 select option 1, followed by option 1.

Complete each of the fields below accurately as this will help to expedite the account creation. You will receive an e-mail confirmation within one business day of submission and by using your CaneID and password to login, you will have access to the eRegulatory binder system.

If you need assistance completing the Access Request Form or to follow up on the status of a request, email [ResInfo@med.miami.edu](mailto:ResInfo@med.miami.edu) or contact our Research Service Desk at (305) 243-5999 select option 1, followed by option 4.

Note: Do not complete this form if you have an existing Complion account. Contact our Research Service Desk for additional questions regarding your account access.
