24th Annual Conference

SPRING 2016

**MIAMI MARRIOTT BISCAYNE BAY HOTEL
APRIL 8, 2016**

FBN **Florida
Bioethics
Network**

www.miami.edu/ethics

Overview

Clinical Ethics: Debates, Decisions, Solutions Ethical challenges facing health professionals have never been more important or more numerous. This program emphasizes themes in climate change and bioethics, physician orders for life-sustaining treatment (POLST), ethics committee operations, clinical futility, public health priority setting, and oncology ethics. From end-of-life decision-making to ethics committees, it is clear that bioethics – and bioethics education – must be assigned the greatest possible roles in the daily lives of individual professionals and their institutions.

Accreditation This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The University of Miami Leonard M. Miller School of Medicine and the Florida Bioethics Network. The University of Miami Leonard M. Miller School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Disclosure and Conflict of Interest Resolution All conflicts of interest of any individual(s) in a position to control the content of this CME activity will be identified and resolved prior to this educational activity being provided. Disclosure about provider and faculty relationships, or the lack thereof, will be provided to learners.

Credit Designation The University of Miami Leonard M. Miller School of Medicine designates this live activity for a maximum of 6.0 *AMA PRA Category 1 Credits*.™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The University of Miami School of Nursing and Health Studies designates this seminar series for a maximum of 6.0 *CEU Credits*.

This course is approved by the Florida Bar (1602124N) for 7 general CLE credits including 7 hours for health law. Continuing education credits for Social Workers have been applied for. This activity may be used for continuing education credit for chaplains certified with the Board of Chaplaincy Certification Inc.

Program

Learning Objectives

Upon completion of this program, participants will be able to:

- Understand updated knowledge and awareness of POLST legislation.
- Understand the importance of doctor-patient communication, especially when such communication is difficult for both.
- Understand the importance of climate change as an ethical issue.
- Understand the role of HECs in improving hospital practice.
- Understand HEC role with respect to consultation standards.
- Understand how decisions are made in public health policy.

Target Audience

This course is designed for physicians, lawyers, nurses, social workers, clergy, psychologists, health administrators, philosophers and others with an interest or a need for continuing education in health ethics.
